WELCOME TO BECOMING BYZANTINE!

This series is intended to be an online introduction to Byzantine Catholic Faith, Worship, and Life based upon the teachings of the Christ Our Pascha (COP) Catechism. Each month, we will sponsor a 90-

minute webinar which will serve as a conversation introducing the topics and themes from the catechism which can be read afterwards (paragraph numbers identified below), as well as from the recorded videos that will be available for free on our YouTube Channel. This can be used for individual, group, or parish study.

From the Wisdom of Fulton Sheen

If it be true that the world has lost its respect for authority, it is only because it lost it first in the home.

By a peculiar paradox, as the home loses its authority, the authority of the state becomes tyrannical.

**GLORY TO JESUS CHRIST!
 GLORY TO HIM FOREVER!**

Everything we need to know about life, we learned from Noah's Ark...

- Don't miss the boat.
- Remember that we are all in the same boat.
- Plan ahead! It wasn't raining when Noah built the Ark.
- Stay fit.
- When you're 600 years old, someone may ask you to do something really big.
- Don't listen to critics; just get on with the job that needs to be done.
- Build your future on high ground.
- For safety's sake, travel in pairs.
- Speed isn't always an advantage. The snails were on board with the cheetahs.
- When you're stressed, float a while.
- Remember, the Ark was built by amateurs; the Titanic by professionals.
- No matter the storm, when you are with God, there's always a rainbow waiting
